### 8.4 Tennis lessons / Clinics / Camps / Trainers / Ball machine

It is not planned to offer tennis lessons/clinics/camps on the EPO courts anymore due to too high administrative reasons and too low participation. Furthermore, our trainer Kees-Jan moved to Sweden. The ATC ball machine will be made available during ATC events in 2026 and is offered for use for members.

An ATC Summer Party is planned for September 2026 and is open to all ATC members and non-members.

Some committee members and our ball machine will be available for lessons/exercises. Additionally, some short fun tournaments/competitions might be organized.
